

## ON MY FATHER'S SIDE

He was just a young boy in the Temple. One day he talked with the Rabbis; they were amazed. Never had they seen one so young argue so clearly.

They asked Him many questions. Answers were always correct. One of the conversations went like this:-

*“What’s your name, son?”*

“On my mother’s side, my name is Yeshua (*Jesus*) -- but on my Father’s side, --- they call me Emmanuel -- God-with-us.”

*“How old are you?”*

“On my Mother’s side, now I’m 12 years, but on my Father’s side, I’ve just always been. Alpha and Omega, the Beginning and the End.”

*“Where are you from?”*

“On my Mother’s side, I’m from Bethlehem of Judah, but on my Father’s side it’s the new Jerusalem, the Holy City, Eternity.”

*“What are your plans?”*

“On my Mother’s side I’ll be crucified. But on my Father’s side, in three days, I’ll arise, return to the Holy City, and sit at my Father’s right hand. Eminent Domain and Authority, Salvation and Eternity.

“I am the King of Kings; that’s on my Father’s side. I sit at my Father’s side.”
