

COURAGE?

- Where do I get courage?
- Where do I get the courage to come out of my shell?
- Where do I get the courage to pray for it?
- Where do I get the courage to adventure for Christ?
- Where do I get the courage to sing again?
- Where do I get the courage to step out?
- Where do I get the courage to breathe new air?
- Where do I get the courage to love again?
- Where do I get the courage to be free?
- Where do I get courage to forgive?
- Where do I get the courage to look at the dark sky?
- Where do I get the courage to write?
- Where do I get courage to be Christ's witness?
- Where do I get the courage to wipe out sad memories?
- Where do I get courage to be forgiven?
- Where do I get the courage to make new friends?
- Where do I get the courage to write that letter?
- Where do I get the courage to give more money?
- Where do I get the courage to expand?
- Where do I get the courage, - to be?
